  - Legal Services and Asylum
  - Resettlement (e.g. employment, housing, accessing services)
- LGBTQIA
  - Antidiscrimination and Rights
  - Housing and Homelessness
  - Mental Health Care and Counseling

## Issue \*

We want to understand the purpose of your work and the issue you're tackling. What is the problem you are solving for and why is it important?

(Max words count: 250)

## Initiative \*

Describe your initiative and include details on your approach and the specific intervention/s you use to address the issue described above.

(Max words count: 250)

**Communities Served \***

Who will benefit from your work (specific target population)? How will they be impacted?

*(Max words count: 150)*

---

**Engagement \***

What life experiences have led you to this work? Why have you focused on this particular issue/s?

*(Max words count: 150)*

---

**Track Record \***

Please describe relevant professional experiences to date (e.g. past jobs, awards, fellowships, organizations founded) that make you uniquely qualified to run this particular initiative.

*(Max words count: 150)*

---

**Creative \***

We are interested in creative strategies that address a problem and its solution in a new way. How is your approach different or distinguishable from other similar efforts? What makes it unique? Please be as specific as possible.

*(Max words count: 250)*

---

**Covid-19 Organizational Strategy \***

What new strategies are you developing or how are you adapting your existing programming or services in response to Covid-19 to ensure your continued impact?

*(Max words count: 200)*

---

**Impact & Metrics**

**Support & Other Funding \***

Have you received support for this work? What did that support look like (financial, organizational, personal support, etc.)?

*(Max words count: 100)*

---

**Impact to Date \***

Describe the quantifiable impact you have achieved to date in addressing this issue. Please detail any successes, partnerships, deliverables, or key milestones that are indicators of positive impact. Please focus on impact, not outputs - we're looking for measurable change that has occurred because of your work. And if your initiative is new, we get it - just highlight progress you've had to date.

*(Max words count: 150)*

---

## Vision

### Defining success \*

If you are successful, how will the lives of the communities you work with be better because of your organization's work?

*(Max words count: 200)*

---
