By registering a User Account and/or by accessing or using this Website, you expressly consent to the information handling practices described in this Privacy Policy.

The Information Collected

1. **User-Provided Information:** You may provide to the Foundation what is generally called "personally identifiable information" (such as your name, email address, postal mailing address, home/mobile telephone number, etc.) while using this Website, such as when you register, when you submit an application and/or when you provide information in order to compete to receive any Award(s).
2. **"Cookies" Information:** When you use this Website, we may send one or more cookies – small text files containing a string of alphanumeric characters – to your computer. A session cookie disappears after you close your browser. A persistent cookie remains after you close your browser and may be used by your browser on subsequent visits to this Website. Persistent cookies can be removed. Please review your web browser "Help" file to learn about the proper way to modify your cookie settings. Please note that if you delete or choose not to accept cookies from this Website, you may not be able to utilize the features of this Website to their fullest potential.
3. **"Flash Cookies" Information:** Flash and other browser plugin applications use technology similar to cookies to enable the storage and recall of settings, preferences and usage data, and other information. Because they are stored in separate software applications, these types of cookies are not managed through your web browser's cookie management interface. We may employ such techniques, including Adobe Flash Cookies (also called "Local Shared Objects") to track information related to your interaction with features of this Website through which Flash-based content is provided. You can access various Flash Cookie management tools and configure certain privacy and security settings for your Flash Player from Adobe's website directly.

This "Automatically Collected" information may include Internet Protocol address ("IP Address") or other device address or ID, web browser and/or device type, the web pages or sites that you visit just before or just after this Website, the pages you view on this Website, and the dates and times that you visit this Website.
5. **Third Party Web Beacons:** We may also implement third party content on this Website that uses "clear gifs," "web beacons," or other similar techniques, which allow the third party content provider to read and write cookies (including Flash Cookies) to your browser, or implement similar tracking mechanisms, in connection with your viewing of that third party content displayed on this

We may also receive information from third party services that provide a mechanism to expose information you have provided to such third party through the use of an application program interface (API), such as Facebook Connect and the Google API. If we combine or associate information from other sources with personally identifiable information that we collect through this Website, we will treat the combined information as personally identifiable information in accordance with this Privacy Policy.
